Mark Boultinghouse - 16 years

Josh Heiserman - 19 years

YOUTH TOUR AND CYCLE IS RIGHT AROUND

THE CORNER!

Sac Osage Electric Cooperative offers exciting opportunities for young individuals to engage in educational and leadership development through the Youth Tour and the CYCLE program. These programs aim to inspire and empower the next generation by providing once in a lifetime experiences.

The Youth Tour is a prestigious program sponsored by the Sac Osage Electric Cooperative in conjunction with other electric cooperatives around the nation. This program is designed for high school juniors and offers a week-long, all-expense-paid trip to Washington, D.C.

A student, selected by Sac Osage Electric, will visit historic landmarks, museums, and government buildings, gaining firsthand knowledge about the U.S. government and history.

The Youth Tour also provides a platform for students to meet peers from across the country and build lasting connection. They will engage in activities that promote leadership skills, public speaking, and teamwork.

The Missouri CYCLE (Cooperative Youth Conference and Leadership

Experience) program is another initiative supported by the Sac Osage Electric Cooperative. This conference brings together high school students from across Missouri for a four-day leadership experience in Jefferson City, the state capital.

A student, selected by Sac Osage Electric, who is also a junior in high school, will learn about state government operations and the importance of civic responsibility.

Workshops and activities are designed to enhance leadership capabilities, communication skills, and personal development. Students develop teamwork and problem-solving skills through various collaborative challenges.

Sac Osage Electric Cooperative's commitment to youth education and leadership is evident through their support of the Youth Tour and Missouri CYCLE program. These initiatives not only enhance students' understanding of government and leadership but also inspire them to become active, informed citizens in their communities. Through these programs, Sac Osage Electric Cooperative plays a vital role in shaping the leaders of tomorrow.

Each contestant is required to submit an application to Sac Osage Electric Cooperative. **Applications can be found at sacosage.com/youth-tour.**

All finalist will participate in an interview process at the cooperative in El Dorado Springs after being selected.

First place contestant will receive a trip to Washington D.C for Youth Tour and the second place contestant will receive the trip to Jefferson City.

Application Deadline

March 07, 2025

Interviews (subject to change)

March 13, 2025

GO PAPERLESS BILLING IN 2025

Switching to paperless billing is not only environmentally friendly, but it also offers convenience to our members. By opting for paperless billing, you can help do your part to reduce mailing expenses for Sac Osage Electric Cooperative. Plus, you'll have instant access to your billing information anytime, anywhere.

Sac Osage Electric Cooperative is offering an exciting opportunity for its members. If you go paperless by April 1st, 2025, you will be entered into a drawing for a \$50.00 gift card. This is a great chance to simplify your billing process while having the opportunity to win a reward!

Switching to paperless billing with Sac Osage Electric Cooperative is simple:

1. **Download the SmartHub App:** Begin by downloading the SmartHub app on your smartphone or tablet. It's available for both iOS and Android devices.
2. **Set Up Your Account:** Log in or create an account if you haven't already. Make sure your account is linked to your Sac Osage Electric Cooperative membership.
3. **Enable Paperless Billing:** Navigate to the billing section of the app and opt-in for paperless billing. This will ensure that you receive your billing information electronically.
4. **Receive Notifications:** With the SmartHub app, you see your daily usage, outage information, and any other important updates from Sac Osage Electric Cooperative.
5. **Pay Your Bill Electronically:** Use the app to pay your bill directly from your device. It's secure, quick, and hassle-free.

SmartHub is a convenient application designed to enhance the customer experience for Sac Osage Electric Cooperative members. The app offers an array of features that streamline energy management and provide users with flexible options to monitor and control their electric services.

Here are some of the key features of the SmartHub app:

- **Billing and Payment:** Users can view their current bill, check past billing history, and make payments directly through the app.
- **Auto-Pay Setup:** Customers can set up automatic payments, ensuring their bills are paid on time without the need for manual intervention.
- **Usage Monitoring:** The app provides detailed insights into energy usage, allowing users to track their consumption patterns and make informed decisions to improve energy efficiency.
- **Outage Notifications:** Users receive real-time notifications about power outages and restoration updates, keeping them informed about service interruptions and estimated restoration times.

Overall, the SmartHub app is an essential tool for Sac Osage Electric Cooperative members, providing a seamless and efficient way to manage their electric services from anywhere, at any time.
