Sac Osage Electric Cooperative is offering two convenient automatic payment plans to members. By choosing one of the plans, you can pay your electric bill(s) automatically each month without the hassle of writing a check and mailing or delivering it to the office of the Cooperative.

If you would like the convenience of automatic payment, please provide the required information for the plan you prefer, sign and date this form, and return it to our office.

It will take one to two billing cycles for the Automatic Payment Plan to be activated. You will know when the Automatic Payment Plan you have chosen is working because your electric bill(s) will state that your bill will be paid automatically.
